APPLICATION FOR NEW MOORING 2015

(A) - Crown Estate Mooring Licenses.

The Crown Estate charges boat owners for the privilege of having a mooring on the seabed. An individual license paid direct to the Crown Estate costs £80 per annum whilst a group fee of £40.00 per mooring is available to clubs and groups such as HLSC who collect the fee on behalf of the Crown Estate.

The Crown Estate issues numbered plastic tags which must be attached to the mooring and these tags may be inspected from time to time. The Crown Estate Inspector will have the ownership details of paid up moorings and can take action against non tagged moorings.

The club is responsible for 75 moorings in the Ardnadam area and HLSC members can benefit from the reduced rate of £45 per mooring, including admin fee. If you are an existing member please include your mooring tag fee with your membership renewal which is due at the start of April. New members or those requiring a mooring for the first time please contact Lorn Campbell on 07770 823169 as early as possible before club launching day (usually 3rd weekend in April). The tags cost £45 (cheques payable to Holy Loch Sailing Club) and must be paid for in advance and are issued on a first come first served basis.

Due to the way in which the Crown Estate collect dues from the Club it may not be possible to get a tag at the group rate later in the year so please think ahead and get your tag paid for at the start of the season. The Crown Estate fee is totally separate from the cost of purchasing and maintaining a mooring which is the responsibility of the owner.
