

## Usage of Club grounds for Boat and Trailer Storage

1. The Club has spaces available for up to a maximum of 50 Craft/trailers under 8.5m LOA in the Carpark and Parking for 15 Sailing Dinghies.
2. Subject to space being available. Members will be entitled to store their boats on its trailer during the close season and the empty trailer during the summer, subject to payment of the appropriate fee. Dry sailed craft may be stored throughout the year. However, all tenders should be removed by the end of October.

## Demand

3. Places will be allocated on a first come first serve basis in line with the guidelines issued in the Club Handbook and website. Members who remove their craft over the Winter or trailer over the Summer will be given priority if they wish to return at the next billing period and notify the Club of this when leaving. Otherwise they will be considered as a new request.

4.

## Time bound

5. The Club recognises that members may not always be able to participate every year and as such boats may be stored in the yard for two consecutive years. After which any boat/trailer remaining in the yard will be charged at an increased rate. Boats/Trailers stored in the third season will be subject to the following additional surcharge:

- In year three the charge will increase to double the normal fees.
- This will increase to three times the normal charge in year four.
- Dry Sailed craft will require to be launched on more than 6 separate occasions in a season to be exempt from above clause.
- The Committee reserves the right to ask for validation of this.

## Fees

6. There will be two levels of Fees which will consist
  - of a winter storage fee for boat and trailer and
  - a summer trailer only fee.

Members should pay the Summer storage fee with their membership in April and will be billed in the Autumn for Winter Storage. Craft left on their trailers over the summer will be charged for the summer period at the winter rate.

The levels of fees will be charged at a rate as set by the Committee and approved at the AGM. Craft will consist of the categories outlined in Annex 1

## Storage

7. All boats will be stored in a manner so as to be safe and to allow maximum use of the space available. All masts should be removed and stored such that they are not a hazard to other users over the period 1<sup>st</sup> October to 31<sup>st</sup> March.

## Liability

8. The Club will not accept any liability for any damage to or loss of property belonging to members or personal injury arising out of the use of the Club Grounds

## Insurance

9. In order to store their boat or trailer on Club ground Members without exception require to have valid Third Party Indemnity Insurance and declaration of compliance made. Failure to meet this clause may result in approval being withdrawn. The Club reserves the right to request sight of a member's insurance documents and members agree to do so if requested.

**Sale of Craft/Trailer**

10. The transfer of ownership of a stored/boat trailer will result in the new owner, if they are a sailing member of the Club, being granted two years' storage after which the normal rule will apply. This clause will not apply to any subsequent sales within a three year period from the first sale and boats/trailers will be charged accordingly.

**Committee**

11. The Committee reserve the right to amend change the rules set out in the Bye Laws at any time for ratification at the next AGM. In the event of these not being ratified the original position will be adopted however, any decisions made during the period will stand as if the change had been ratified.

**Appeal**

12. In the event of a member being dissatisfied with the Committee's decision they may exercise their rights under the appeal process.
