

HLSC Vision shared at AGM 2024

An active club with a range of water sports and sailing activities for both adults and young people.

We have a welcoming introductory programme from 'give it a try' with progression to RYA courses and weekly racing.

We are home to groups of open water swimmers, paddlers and other water sports users, in addition to regattas for visiting clubs and classes.

Our Wednesday racing and Polaris regatta are popular and create a buzz for racers, volunteers and spectators.

We make the most of our commercial connections for sponsorship and run our own annual programme of fundraising activities.

Our facilities are accessible, fit for purpose with sufficient socialising, meeting, changing and storage spaces for all our activities.

HLSC Vision 2024 - Themes

1. Keep existing facilities going
2. Racing organisation
3. Grow your own
4. Become a home for water sports
5. Developing club facilities
6. Fundraising
7. Commercial activities

finding volunteers & pacing ourselves

Facilities We Need

- Launch facilities (easy for dinghies)
 - Lifting for keel boats
 - Slipway facilities for all boat classes
 - Separate classroom or meeting space
 - Socialising area / bar / kitchen
 - Cadet area (classroom may be enough)
 - Storage for all sailing, water sports & personal equipment
 - Secure storage for club assets, eg ribs, bar stock & racing equipment
 - Facilities accessible separately for adults & children
 - Better access to the building
- Maybe
- Accessible toilet & shower
 - Facilities accessible from outside
 - Electricity hook ups

What we do depends on who comes forward

We cannot do this all at once!
