

## Cadet Report 2024 Season

The Cadets started back at the end of April and ran to the middle of September for the 2024 season. We managed to get everyone in that was on the waiting list for 2024. The waiting list is currently at 12 for the 2025 season. All evenings were excellently attended, and everyone seemed to enjoy themselves. It has been a pretty windy season. We started to get kids back into the racing scene with a programme over the summer. I am hoping this will continue next year. All the boats are tucked away for the winter. I am expecting to be doing some work on the toppers at the start of the season. We have got a topper from the John Merricks trust for free and got rid of the wayfarer for the sum of £200.

I would like to take the time to thank all the volunteers that make this happen. Chris Wilson, Leonora Towart, Claire Towart, John Pearce, Maureen Stewart, Alistair McVicar, Ross Noble, Micheal Dalgaty, John Cameron, Harris Munns, Jenny Dunn and Zoe Copper.

We have started to do some power boat training with 5 members getting their level 2 certificates. Finlay Hurrell, Harris Munns, Archie Munns, Mark McGeachie and Alistair Clements.

I am hopeful the club will be looking at other means of funding now that it has become a SCIO to help improve facilities at the club.

I am looking forward to the 2025 season and hopefully build on the great work that has been done this season.

Kind Regards

Neil Towart

Principal Training Officer
